

*We're engaged!*

# A Trip Down Memory Lane

for our upcoming wedding

Buffy & Spike

# Why?

PowerPoint presentations are not normally our style, but...

Actually the idea came from our friend Willow (you'll see her later)

some of you haven't known us that long, so we wanted to share a bit of our history with you.

*Apologies for the insipid beige ...  
Looks like granny wallpaper. An  
embarrassment if you ask me!  
But Buffy vetoed my choice of  
stylish black.*

And Spike put the kibosh on the lovely romantic pink style I picked.  
So here we are!

# B&S

## How we met

We met in the workplace, so to speak

He gave me a nice compliment!

*She did a brilliant job!*  
*At eh ... Handling conflict*

# A love timeline

don't worry,  
we'll get into  
some of it

*Skipping quite a lot here!*

1997

**First meeting**

No romantic feelings yet

1999

**Engaged!**

This was a fluke

2001

**First kiss**

The first one that really counts, anyway

2011

**Engaged!**

This time for real

*Sounds weird, but we'll explain!  
(but not in too much detail)*

1998

# The start

At first we didn't really like each other. We were kind of in opposing lines of work.

But things started to change when we were forced to work together for a common cause.

*That was MY idea actually!  
We made a bloody good team*

Buffy & Spike

# We worked together more often

*That was not my shirt!*

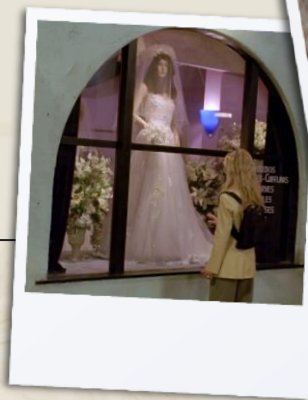

1999

# Engagement #1

This lasted only a day. We were under a sp the influence at the time. We broke it off right away when we came to our senses!

I already had my eye on a dress ...

Buffy & Spike

# Buffy's Mom (Joyce)

Bringing Spike home to mom ... awkward !!  
Later they got on pretty well

1999

2001

Joyce died in 2001, and Spike lost his mom long before we met ☹️

*Always had a nice cuppa for me!*

This seems like a good time to introduce...

# Rupert Giles

This is Buffy's surrogate dad.

He wasn't happy with our first engagement, but this time around he has agreed to give Buffy away!

*Her real dad  
is a cad!* And not  
invited

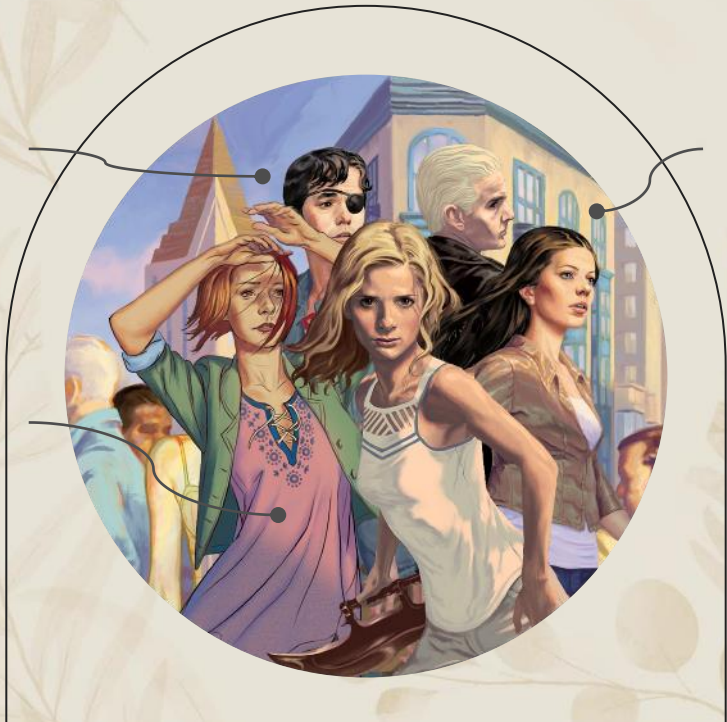

# The girls and the guys

**Xander Harris**

Best Man

**Willow Rosenberg**

Bridesmaid

*Yes, she's my sister*

**Dawn Summers**

# First date

We don't agree on what counts  
as our first date

2000

Spike thinks it's this ↗

2001

2001

Maybe. Kind of.

NO WAY this  
was a date!

*It could've  
been!*

2001

# First kiss

Our first real kiss!

(The ones during our first engagement don't count. We were not in our right minds at the time.)

They were still good though!

*Ha!*

Buffy & Spike

# First "I love you"

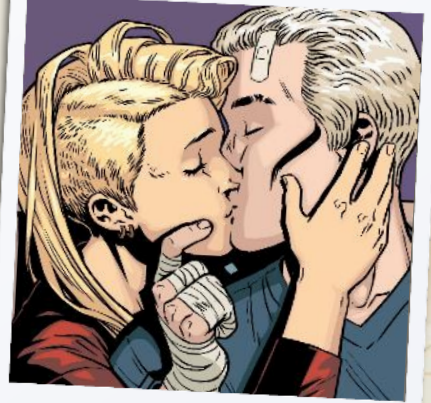

Spike's

Buffy's

He didn't believe me!

FINALLY!

I love you  
I love you too ♡

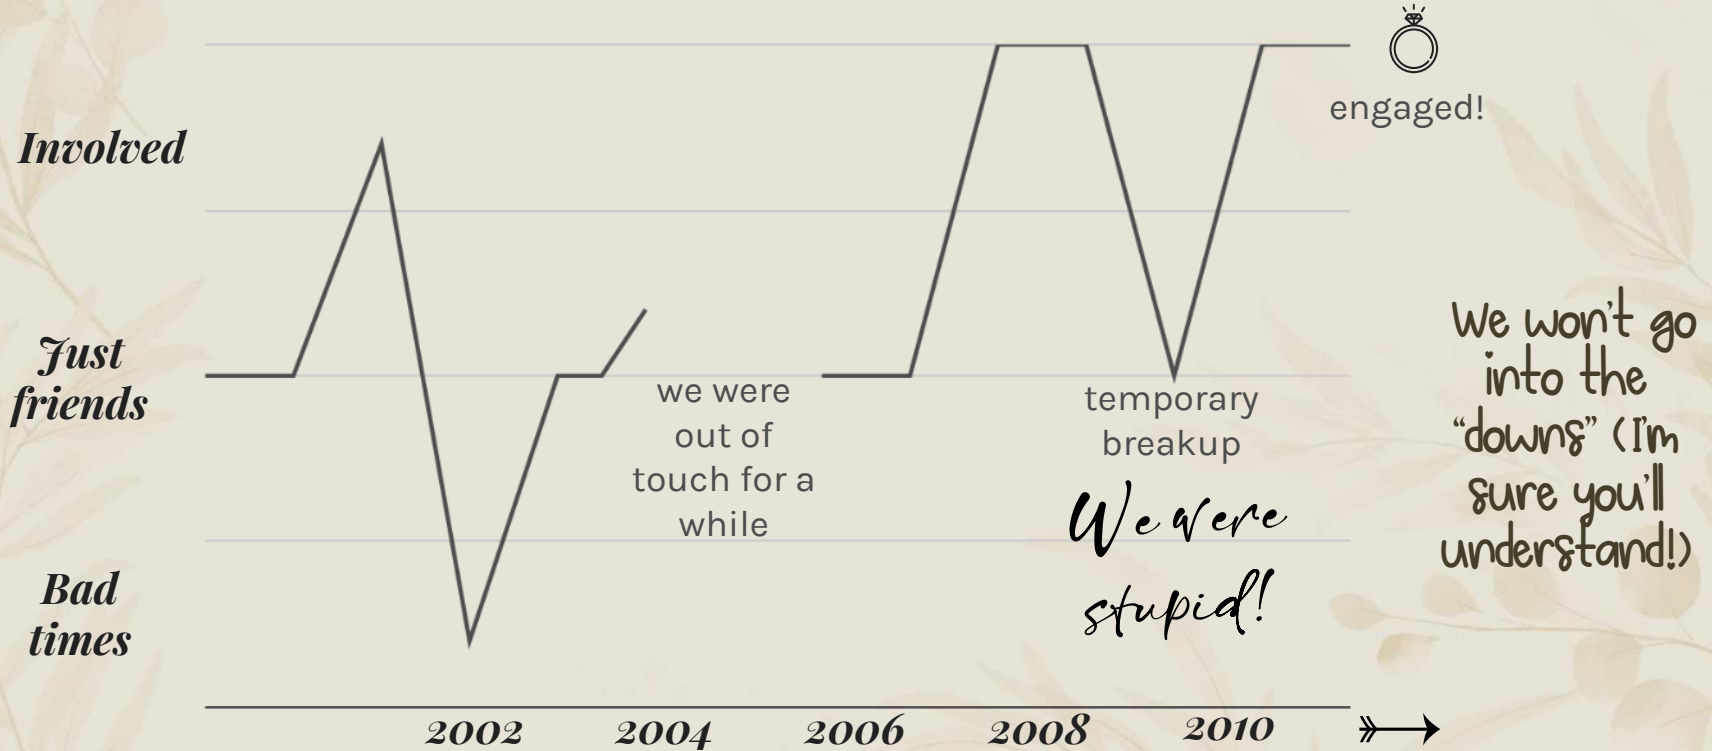

Went about it  
all wrong!  
Sorry

# Our love timeline: ups and downs

# Living together

Sunnydale, 2003

To be honest, lots of people stayed in my house at the time

San Francisco, 2008

Doing it "Friends" style

Grand Canyon, 2009

Location sounds better than it was!

# Awesome words

**Spike**

“You’re the one, Buffy”

**Buffy**

“I believe in you, Spike”

08/25/12 The date!!!!

*Can't wait!*

# YES

We're going for it!

The ring!!!!

*Cost me a  
bloody fortune  
(but worth it)*

Buffy & Spike

# Looking towards the future

*Together till  
the end of the  
world! ♡♡♡*

Our  
videographer

# Thanks

See you all at the wedding!  
Dress your best,  
you'll be on video

(And please keep an open mind,  
some of our guests are a bit  
unconventional)

I can't believe  
you said he  
could do it!
